ADDITIONAL SUPPORT – ARENA BOARD OF DIRECTORS

arena@steagathearena.ca

WELCOME

The Ste. Agathe Arena has been an integral part of the local and surrounding areas since it first opened in 1978. Surrounding communities such as St. Adolphe, Niverville, Aubigny, Rosenort and many more have all utilized the rink in varying capacities.

The Ste. Agathe Arena is currently in its 45th year of operation and is in need of major repairs in order to continue to serve the people of Ste. Agathe and neighbouring communities. For many years, various volunteer members of the Board of Directors have applied for a variety of grants to sustain and improve operations. While some funding has been received over the years both from grants and donations, in order to ensure continued operations in today's circumstances, we need to raise approximately \$750,000.

RAISE THE STICK CAMPAIGN

The Fundraising Committee for the Ste. Agathe Arena has officially launched the **Raise the Stick** fundraising campaign. This package highlights the opportunities for individuals, families and businesses to contribute to the project. Ask one of our volunteers for more information.

All donations over \$20 will be tax deductible and donors will receive a charitable receipt from the RM of Richot. The campaign will remain active until we reach our goal of raising \$750,000.

WHY DONATE?

ICE PLANT RETROFIT PROJECT

The Ste. Agathe Arena ice plant (condenser, chiller, compressors, and pumps) have well exceeded their recommended life span of by nearly 20 years as confirmed by local refrigeration experts. Due to the ongoing maintenance and careful consideration to operate the ice plant under proper environmental considerations, the ice plant needs to be replaced

Should the ice plant fail while in operation, the investment to install the ice surface and the operation for the remainder of the season would be lost. Financial costs for the replacement of the ice plant under emergency conditions would be significantly higher when compared to replacing the ice plant as a planned project.

The ice plant replacement is needed to ensure that Ste. Agathe and surrounding communities continue to enjoy the benefit from the services the arena has provided for almost 50 years and for many more years to come.

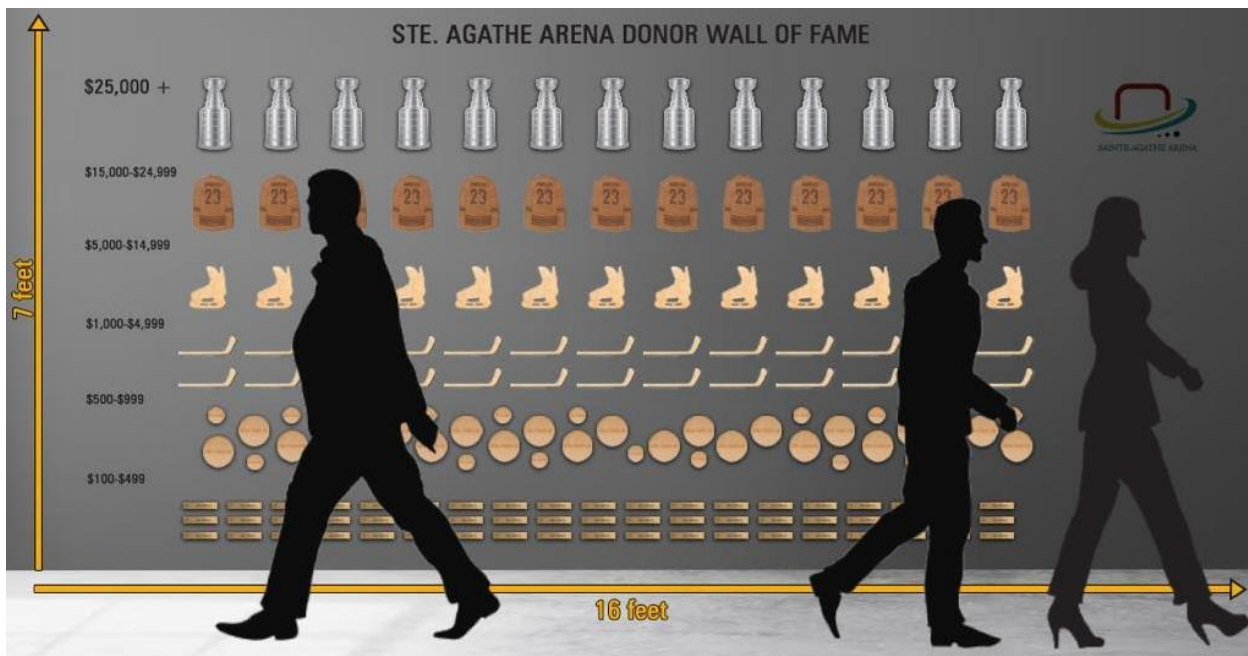

DONATION OPPORTUNITIES

There are six (6) tiers available for your donation consideration.

- Tier #1 (\$100 - \$499) – General commemorative plaque
- Tier #2 (\$500 - \$999) – Larger commemorative plaque
- Tier #3 (\$1000 - \$4,999) – Commemorative stick plaque
